

MyMedEx

Personalized Services

Hi! I'm Dr. Bot

Your personal AI assistant at

MyMedEx.

Here, your life takes a new direction
with medicine designed just for you.

What is **MyMedEx**

A multilingual, AI-powered online hospital designed for Persian-speaking users around the world.

From instant consultations to surgery, from cancer care to anti-aging ,everything is here.

What is Personalized Medicine

It's time to move beyond generic treatments.
At **MyMedEx**, we design your health journey based
on your DNA, family history, and lifestyle.
That means prevention, treatment, nutrition,
exercise, and even medications, all tailored to you.

My Role – **Dr. Bot**

I'm the AI brain behind **MyMedEx**.

- I analyze your symptoms
- I recommend the best doctors
- I design and follow up on your genetic and treatment plans
- I support your real doctor, not replace them

Anytime, Anywhere
MyMedEx is always with you

- Via mobile app or website
- In Persian, English, and Arabic
- With 24/7 access to doctors, psychologists, nutritionists, and fitness coaches
- Perfect for Iranians inside and outside the country

Our Services Go Beyond Digital!

You also have access to our physical
healthcare centers in

- Canada
- California (USA)
- Europe
- Anatolia
- Persian Gulf countries
- Iran

In-Person & Medical Services at **MyMedEx**

- Specialized surgeries
- Chronic disease & cancer treatment
- Anti-aging & rejuvenation programs (AgeX)
- Premium health tourism services (MedExTour)
- Expert medical teams for full pre/post-treatment care

What is AI Insurance

We created **MyMedEx**'s smart insurance to provide affordable, comprehensive, and accessible services. It includes three tiers:

Silver – Fast, budget-friendly access to consultations and digital prescriptions

Gold – Full treatment services, surgery discounts, and specialist checkups

Platinum – Includes full genetic test (GenEx) + VIP services + personalized lifestyle plan

With AI Insurance You Get

- Reduced healthcare costs
- Access to a broader range of services
- A smart, personalized journey from prevention to treatment
- Continuous support from me **Dr. Bot!**

VIP Membership

VIP members receive fully personalized services in medicine, lifestyle, nutrition, mental health, and aesthetics.

- Private interaction with me
- Continuous health tracking
- Dedicated consultants
- Monthly health reports
- Priority access to top doctors

GenEx

Your Genetic Map

Included in the Platinum package,
the GenEx test offers:

- Complete genetic analysis (based on NGS technology)
- Over 2,500 pages of lifestyle insights
- Custom plans for nutrition, sleep, exercise, mental care, and disease prevention
- Activation of AgeX for cellular rejuvenation

AgeX

A Younger You, Scientifically Designed

Our advanced rejuvenation package includes:

- Anti-aging services based on stem cells and exosomes
- Enhanced body function, skin, memory, energy, and hormones
- No surgery, Fully scientific, personalized, and proven

I'm **Dr. Bot**, ready to guide and follow up on your entire health, prevention, treatment, and rejuvenation journey.

With **MyMedEx**, everything is designed just for you.

The background is a deep blue gradient. It features faint, glowing DNA double helix structures on the left and right sides. Overlaid on this is a network of thin, light blue lines connecting small, bright blue dots, creating a mesh-like pattern across the entire image.
